We have room in the newspaper to enumerate only a small percentage of the wonderful values offered in this July sale.

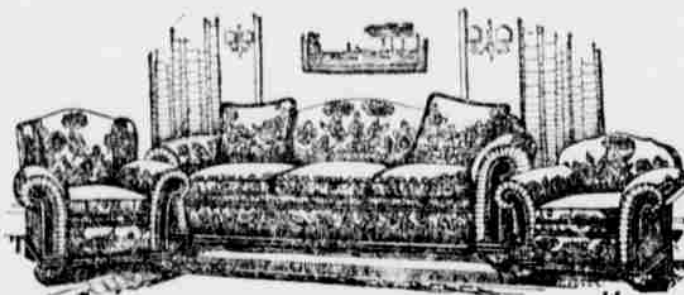

REMEMBER! Rosser-Casebeer is not a "saleshouse"—we do not go to market and purchase cheap merchandise for sale purposes—as is so often the case where stores run monthly sales.

JUST ONCE each year Rosser-Casebeer place their selected stock of the finest home furnishings—the manufacturers latest—at sale prices.

We haven't anything in our enormous stocks that is not the newest, but every article is placed in our July Sale.

All purchases made for later fall delivery will be carefully stored without extra charge.
